

# THE VALLEY WALK

## AT MISERDEN

3.3 KM - 50 MINS

1.  
At the weekend, it is permitted to park in the Miserden School car park.
2.  
Leaving the car park, turn left on the road and then left at the Holly tree and walk diagonally across the field.
3.  
Cross over two stiles that boarder a road and continue diagonally across the next field.
4.  
Cross the stone stile in the corner of the field next to a small tree.
5.  
Keep straight towards the farm, through a hole in the hedge, over another stile and continue straight towards the farm buildings. Once you have approached the farm take a sharp left though a gate and head back up the track.
6.  
Continue up the track for a considerable distance until you get to a road, turn right on the road and then left after 200m back to the village to enjoy a well-deserved drink at The Carpenters Arms.
